| Usage instructions: | 1. Hold the ear loops in both hands with the metallic strip up.  
2. Put the mask against your face covering both nose and mouth. Place ear loops around ears.  
3. Adjust mask over nose and under chin.  
4. Adjust the flexible strip over bridge of nose.  
5. Make sure the mask fits properly, covering the nose, mouth and chin. |
| Storage: | Store in a cool, dry, clean place away from flames.  
Store between -20°C and 30°C (-4°F and 86°F) with relative humidity below 80%. |

Standards
The Haite KN95 mask complies with the China national standard GB/T 2626-2006 Self-Priming, Filter-Type Mask for Respiratory Protection. This standard specifies the technical requirements, testing methods and manufacturing procedures of the mask. It is functionally equivalent to the US N95 standard as per US FDA Emergency Declaration April 3rd 2020. Haite is FDA Owner/Operator and Device registered with FDA Number: 10067575. See FDA website for details.
KN95 Particulate Respirator

Respirator Features
